Adventures In Time And Weather Lisa Southard

Most of us are more blessed than we know. ?It's in our nature to be aware of what we lack but, with practice, we can change our awareness.?This isn't a How To sort of book though, it's an invitation to take a walk, through a year in which some things go right and some don't. Set in Cornwall, England, this is the true story of a coffee addled writer learning that practicing mindfulness by paying attention to the present moment is what fulfils life's potential.
