## **Essential Readings on Assessment** Peter Afflerbach

'Reading assessment informs our understanding of individual students and our related efforts to best teach them, which shapes students self-concepts, motivations, and attitudes related to reading. It signifies, to many, the success and accountability of our teachers and schools.'

-Peter Afflerbach, from the Introduction

Learn how reading assessment can improve instruction and learning with the research-based, peer-reviewed articles in this collection, selected and introduced by noted expert Peter Afflerbach.

Fifteen articles cover a broad spectrum of practices and theory related to gathering, interpreting, and using assessment information, including:

- \* The central role teachers can play in reading assessment
- \* How assessment fits into our evolving understanding of reading
- \* Systemic approaches to developing reading assessment
- \* The impact of formative assessment on student development
- \* The consequences of assessment

Afflerbach's Introduction and the questions for reflection that accompany each article can help you tailor the book to meet your needs-especially useful for school-based professional development and teacher education.

The International Reading Association is the world's premier organization of literacy professionals. Our titles promote reading by providing professional development to continuously advance the quality of literacy instruction and research.

Research-based, classroom-tested, and peer-reviewed, IRA titles are among the highest quality tools that help literacy professionals do their jobs better.

Some of the many areas we publish in include:

- Comprehension
- Response To Intervention/Struggling Readers
- Early Literacy
- Adolescent Literacy
- Assessment
- Literacy Coaching
- Research And Policy
