Royal Baby Names: British Royalty Joanne Hayle

We are eagerly awaiting the birth of the Duke and Duchess of Cambridge's second child in 2015, a sibling for the adorable Prince George. There has already been speculation about what William and Kate will call their new baby. Diana? Elizabeth? Carole? John? Charles? Philip? We'll have to wait and see. I researched the names that the royal family favour. I have concentrated on the present royals back to Queen Victoria. Victoria appears frequently, Albert too; Alice, Louise, Arthur and Edward are names that have seldom been out of use in the last one hundred and fifty years. The royals of the twenty first century are split in to two name camps: adventurous and traditional. I hope you find this book as interesting to read as I did to write it.
