Rwanda is the world's premier gorilla-tracking destination and was made famous as the setting for the film *Gorillas in the Mist*. However there is much to see beyond magical encounters with gorillas; Lake Kivu, the mountain-ringed inland sea; the immense Nyungwe Forest National Park with its chimpanzees, monkeys, and rare birds; and the wild savanna of Akagera National Park. Written in an engaging and colorful style this edition is packed with anecdotes of people and places met across the country.
