Balance the Bridge: Enhance your communication skills and improve your life! Brad Meisburg

Balance the Bridge – Enhance your communication skills and improve your life! Whether you are a CEO of a large company or a parent of three kids, good communication skills play a strong role in how successful you are in the relationships that matter to you most. Most methods for improving communication skills focus on the individual, but a conversation is a two-way street. Actually, it's a two-way bridge, and that's where Balance the Bridge is different and designed to help. In this book you will learn how to:

- Use a simple five-step process designed to make sure that any type of conversation is successful.
- Open and close communication bridges for successful interaction.
- Use the bridge metaphor to make sure the sender and receiver are connected.
- Use the bridge metaphor to make sure verbal traffic flows appropriately.
- Effectively deal with relationships and situations.
- Use these skills to become more like some of the world's most effective communicators.
- Avoid the technology trap.
- Develop a closed loop action plan for improvement in your business or your personal life.

Using Balance the Bridge will improve team effectiveness, career advancement, personal relationships and your life!
