Lamentations & Song of Songs (Believers Church Bible Commentary) Dr. Wilma Ann Bailey, Dr. Christina Bucher

This Old Testament study covers the full emotional register of biblical literature: from the anguished sorrow songs of ancient Israel to the passionate, lyric poems of lovers. Both authors build sturdy theological scaffolding to help readers understand and apply the wisdom contained by these Hebrew writings of desire and exile, love and lament. Accessible to lay readers, useful in preaching and pastoral care, helpful for Bible study groups and Sunday school teachers, and academically sound.

Lamentations, Song of Songs is volume twenty-seven in the Believers Church Bible Commentary series.
