The Life of John Maynard Keynes Roy Harrod

**“[*The Life of John Maynard Keynes*] fulfills expectation. It is reliable, instructive, vivid, sensitive and a pleasure to read. It is a due memorial to a man whom Mr. Harrod, without overstatement, describes as ‘one of the greatest Englishmen of his age.’ . . . The ordinary citizen, bewildered by economics, will read this book with exhilaration?even with passionate exhilaration?as an account of an astounding personality. . . . His, certainly, was the most compelling personality that I have ever encountered.”**  
**?Harold Nicolson, *The Observer***

*The Life of John Maynard Keynes* traces the life and career of the famous English economist and evaluates his contribution to modern economic policy making.
