Curves, Twists and Bends: A Practical Guide to Pilates for Scoliosis Alan Herdman

Written in response to the many requests for a practical and accessible guide to exercise for scoliosis sufferers, "Pilates for Scoliosis" combines the insights of Annette Wellings, who has major scoliosis, with Alan Herdman, the UK's leading Pilates practitioner. This clear and concise book explains in accessible terms what scoliosis is, its symptoms, and its physical and psychological aspects. It includes a series of Pilates exercises, specially-designed by the authors to promote flexibility, posture and muscle strength in scoliosis sufferers as well as information on what exercises to avoid. It also offers basic strategies and practical tips for living with the condition, including useful advice on diet, rest, sitting, carrying and how to dress. Written with the full range of scoliosis sufferers in mind, "Pilates for Scoliosis" highlights the importance of gentle exercise for keeping the body as healthy and flexible as possible. "Pilates for Scoliosis" will be indispensable to individuals with scoliosis and their families as well as to physical therapists, Pilates instructors and other professionals who advise scoliosis patients on exercise and lifestyle options.
