Sliding into Home (A New League Book 1) Anne Lange

A New League:

Fame. Fortune. Glamour and glory. The big leagues. Not everyone makes it to the top. Select few are good enough to get there. And once the dream has been realised, a fall from the pedestal is hard to accept. Defeat harder to admit. Moving on harder to do. Especially when the road to get there was scattered with deep potholes to begin with.

Sinful encounters and erotic moments can occupy the mind and the body while difficult decisions are being made, maybe even delay the inevitable. But in the end, only the support and love of that special someone can help those who have fallen to stand up again, and realise they're in a new league now—one where dreams are shared—not with an entire world watching, waiting to see if you'll rebound, but with the ones who will stand by and catch you if you don't.

These are not the stories of the men or women playing the game, but rather what happens after the game is done playing with them.

Sliding into Home by Anne Lange

Book One in the A New League series

Can an injured ex ball player convince the woman he wakes up married to in Las Vegas to take a second chance on him?

After spending the last four months drowning his sorrows over the end of his baseball career, Jack Bishop finds himself winging through the blue skies to Las Vegas, not so ready to spend the weekend with some woman his best friend set him up with. He expects a paid escort. What he gets is the woman he walked away from ten years ago to pursue his passion, and she's not very happy to see him.

Devyn Tate believes she's quite capable of finding somebody to take her out to dinner. She's no longer

looking for a lifelong promise. She has a commitment only to her battery-operated toy to fulfill that particular need. Yet her friends have managed to talk her into spending the weekend in Las Vegas, on a blind date of all things. They promise the guy is trustworthy. They insist that she should have fun. Unfortunately, fun is not what she envisions when she discovers Jack Bishop lying on the floor of her suite in nothing but his underwear that's on backward, and she has a wedding ring on her finger.

About the Author:

Shoes are her addiction, but books are her passion. Anne Lange grew up with a love for reading. If you take a close look, she's got either a book, her Kindle or her Kobo—maybe all three—tucked into her bag or a pocket when she leaves the house. You know, just in case there's time to sneak in a chapter or ten. Anne reads many genres of romance, but prefers to write sexy stories, often with a dash of humor, and usually with a side of those sinful pleasures your mom never told you about.

Oh, and always a happily ever after.

While embarking on this wild journey of becoming a romance author, Anne juggles a full time job and a family. Not always successfully. Who needs a clean house every day? And what's wrong with cereal for dinner? She lives in Ontario, Canada with her wonderfully supportive husband, three awesome kids who are growing up way too fast, and Rocky the bearded dragon.
