Space, In Chains (Lannan Literary Selections)

Laura Kasischke

Space, In Chains (Lannan Literary Selections) Laura Kasischke

"Kasischke's intelligence is most apparent in her syntactic control and pace, the way she gauges just when to make free verse speed up, or stop short, or slow down."—*The New York Times Book Review*

"Kasischke's poems are powered by a skillful use of imagery and the subtle, ingenious way she turns a phrase."—*Austin American-Statesman*

Laura Kasischke's poems have the same haunting qualities and truth as our most potent memories and dreams. Through ghostly voices, fragmented narratives, overheard conversations, songs, and prayers in language reminiscent of medieval lyrics converted into contemporary idiom, the poems in *Space, In Chains* create a visceral strangeness true to its own music.

*So we found ourselves in an ancient place, the very
air around us bound by chains. There was
stagnant water in which lightning
was reflected, like desperation
in a dying eye. Like science. Like
a dull rock plummeting through space, tossing
off flowers and veils, like a bride. And*

also the subway.

Speed under ground.

*And the way each body in the room appeared to be
a jar of wasps and flies that day—but, enchanted,
like frightened children's laughter.*

Laura Kasischke is the author of thirteen books of poetry and fiction. Her novel *Her Life Before Her Eyes* was adapted for the screen and starred Uma Thurman. A Guggenheim Fellow in 2009, she teaches in the MFA program at the University of Michigan.

From reader reviews:

Leslie Babcock:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each e-book has different aim or even goal; it means that guide has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they take because their hobby is reading a book. Why not the person who don't like studying a book? Sometime, individual feel need book when they found difficult problem or maybe exercise. Well, probably you will require this Space, In Chains (Lannan Literary Selections).

Ardith Bobo:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Space, In Chains (Lannan Literary Selections) is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Wendy Miller:

Reading a publication tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A lot of author can inspire their very own reader with their story or even their experience. Not only the story that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some study before they write for their book. One of them is this Space, In Chains (Lannan Literary Selections).

Jose Weitzman:

On this era which is the greater man or who has ability in doing something more are more precious than other. Do you want to become among it? It is just simple method to have that. What you need to do is just spending your time very little but quite enough to enjoy a look at some books. Among the books in the top checklist in your reading list is definitely Space, In Chains (Lannan Literary Selections). This book which can be qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upward and review this e-book you can get many advantages.
