When You Ask Why Daniel Johnson

Human nature seems to demand that we seek to make sense of the meaning and purpose of events in our lives. And there is no greater struggle than trying to understand the pain and suffering that we and others we love often endure.

People of faith also struggle to reconcile the concept of a loving God and the reality of suffering. Despite the hope we are given, there is still despair and questions, such as:

- Why did God let this happen?
- What does all this really mean in my understanding of God?
- Why can't I find peace in my heart?

Daniel E. Johnson opens a door on the suffering in his own life and how he has drawn meaning and hope from these painful journeys, providing a path for others lost in the darkness and hopelessness of doubt to discover comfort and peace in God's unfailing love.

"*When You Ask Why* is succinct, well-written, direct, helpful, and encouraging. It touches your heart in its simplicity." Zig Ziglar
