Now that Ben Giles has moved on from his ex-wife and his conservative background, the idea of a committed relationship with handsome divorce attorney Tobias no longer scares him. Their life in California is beginning to feel settled, and Ben's love for the other man only continues to grow. And as friends of theirs tie the knot, Ben is realizing what he wants for his future with Tobias.. A future he hopes will include marriage and children.

But as a high-powered attorney, nothing can erase the cynicism Tobias Sheffield has acquired through years of dealing with painful divorces and bitter break-ups. And he knows all too well how much harder it becomes when kids are involved. While his feelings for Ben run deep, that doesn't change his opinion about marriage; he's not interested and he never will be.

Can Tobias and Ben get past another obstacle or are their differing ideas about marriage and family impossible to overcome? With so much at stake, they'll have to reexamine their feelings and decide what's important if they are going to continue to build a future together.
