Richard Francis Burton

First Footsteps in East Africa (Annotated): An Exploration of Harar Richard Francis Burton

A detailed description of the author's travels into the interior of what was then unknown country. His observations and reflections provide a thrilling insight into the mind of a dedicated explorer in the colonial age. That he succeeded is a testament to his knowledge of Arabic, his patience and a familiarity with the temperaments and moral attitudes of the people along with the ability to conceal his actual identity.
