Leviticus-Numbers: Smyth & Helwys Bible Commentary

Lloyd R. Bailey

Leviticus-Numbers: Smyth & Helwys Bible Commentary Lloyd R. Bailey

Written by caring and accomplished scholars with all students of Scripture in mind, this innovative series makes quality Bible study more accessible. Pastors, professors and students of Scripture are discovering that this commentary provides wonderful new tools for enhancing interpretation: informative sidebars, a wealth of fine art visuals, and a searchable CD containing the digital version of the entire work. The contrast in appreciation of Leviticus and Numbers by the synagogue on the one hand, and by the church on the other, is little short of astonishing. The former has considered it crucial to an understanding of God and of the nature of the "chosen people" of Israel. The latter has usually reduced it to allegory or as a mere historical record of Israelite religion. In this new volume, Hebrew Bible scholar Lloyd R. Bailey examines these often overlooked or underappreciated books of Moses in the contexts of both the Jewish and Christian traditions.
