We made a choice to come into this lifetime and that choice was made so that we could experience something in this lifetime. But, there was a catch, we were born into this lifetime helpless and we had to learn how to live in this world before we could experience what we wanted to experience. In learning how to live, we adopted rules on how we should act, what we should believe, and who we should be. As part of the process, many of us forget what we came into this lifetime to experience. In *Living Your Purposeful Life*, I am going to share my journey and, I hope, that through my sharing, you are going to start questioning how you are acting, what you believe, and who you should be and on the other side, you will start *Living Your Purposeful Life*.
