**The Puritans: Their Origins and Successors** D. Martyn Lloyd-Jones

In these addresses given at the Puritan Studies and Westminster Conferences between 1959 and 1978, Dr. Lloyd-Jones ranges widely over the history of Reformed Christianity from the Reformation to the nineteenth century, drawing lessons from major figures like Calvin and Knox, Bunyan and Owen, Edwards and Whitefield, and from lesser-known men such as Henry Jacob, John Glas and Robert Sandeman.

Written in an absorbing and stimulating style, these studies continue to speak with great insight and relevance to the church of the twenty-first century.
