Created The Destroyer (Volume 1) Warren Murphy, Richard Sapir

When you're on death row, minutes from the electric chair, and a hook-handed monk offers to save your life if you'll just swallow a simple little pill...what've you got to lose? You take the pill. Then you wake up, officially "dead," in the back of an ambulance, headed for an undisclosed location. Welcome to your new life, working for CURE, the most secret, most deniable, most extra-judicial government agency ever to exist. Only the President knows about it, and even he doesn't control it.

ABOUT THE SERIES: Sentenced to death for a crime he didn't commit, ex-cop Remo Williams is rescued from the electric chair and recruited by a secret government organization as an assassin, targeting criminals who are beyond the law. Remo's trainer is a curmudgeonly old Korean named Chiun, whose mastery of the terrifyingly powerful martial art of Sinanju makes him the deadliest man alive.

The winning combination of action, humor, and mysticism has made the Destroyer one of the best-selling series of all time. **With more than 150 books and over 50 million copies sold worldwide**, the Destroyer has been praised by the LA Times as "flights of hilarious satire," and gave birth to the mythology of the brash young Westerner taught by an ancient, inscrutable master.
