If Prison Walls Could Speak Richard Wurmbrand

In *If Prison Walls Could Speak*, Richard Wurmbrand reveals what Communist imprisonment and torture can do to a Christian's mind and faith. In these intensely moving pages, he shows us faith going right to the breaking point and beyond - and remaining unbroken. D.L. Moody stated that the Christian on his knees sees more than a philosopher standing on tiptoe. If you want to know what hundreds of thousands of Christians have experienced, and are still experiencing, in Communist prisons, read these sermons. Then get down on your knees and ask God for the privilege of sharing the cross of the sufferers, of remembering them as though you were bound in chains with them.
