PALE HORSE

PALE HORSE

A few years ago, you might have read in magazines or newspapers and seen on television news about the revolt at Egypt which resulted in bloodshed and many lost lives. A reporter captured a video of a part of this revolt on camera. When he viewed the video at home, he saw something absolutely shocking.

A Pale Horse with a rider on its back was recorded in the midst of the riot. The horse ran quickly through the riot. That reporter saw the actual riot with his naked eye. There was no physical horse there. But the horse was recorded by the camera. I was also shocked when I saw that video clip on television.

This Pale Horse ran not only through Egypt, but also through countries like Libya, Yemen, and Syria and all over the world. Violent riots increased all through the world. Every one of us knows that even in some parts of India the violence and murders are perpetrated by terrorists. The Lord has revealed this Pale horse to indicate that His coming is very soon and His words are true.

The Last Days

We are standing in the Last Days. However, when compared with ancient times, the gospel has been spreading quickly throughout the world in these days. Not only that, Satan has also been working more quickly. The cry of death is heard everywhere.

There is a proverb which says, "The god of death is riding on the buffalo." But nowadays death has increased its speed to match that of the horse. Are you asking how can this be? We are astonished seeing this pale horse on television. But the Lord has foretold this to Saint John who was a prisoner on the Island of Patmos. Read Revelation-6:8, "So I looked, and behold, a pale horse. And the name of him who sat on it was Death, and Hades followed with him."

The rider upon the pale horse is Death. The horse was the quickest means of transportation known to man at that time. So nowadays death is also spreading very quickly. Are you wondering how this death will come? I am not talking about death of the body. I am talking about spiritual death.

If a man was saved, received the anointing of the Holy Spirit, used to regularly attend church gatherings and lived a holy life, but then backslid by committing sin, he has fallen down in his spiritual life. This is what I mean by spiritual death. The spirit of death rides the pale horse towards us intending to inflict this death on us.

Moreover, those who die due to natural hazards such as tsunami, earthquake or riot will not go to hell. But we know that Hades follows this spirit of death because Scripture says, "Hades followed with him". The spirit of death rides the pale horse to kill the spiritual life of believers.

When a man dies in his spiritual life, he will go to Hades.

Satan is coming inside the churches and inside the houses of believers by riding upon this pale horse. Those who give room to him will suffer Hades, experiencing spiritual death.

My dear Brethren, if you are in the clutches of sin, then for sure you will repent before finishing reading this book.

This spirit of death works in four ways. I am sharing with you what God has shown to me by revelation. How does this spiritual death occur? That is what the Scripture says in Revelation 6:8, "to kill with sword, with hunger, with death, and by the beasts of the earth."
