The Ultimate Alto Saxophone Scales Fingering Chart: With Visual Concert C Transposition

The Ultimate Alto Saxophone Scales Fingering Chart: With Visual Concert C Transposition is a book developed for serious saxophone players who want to learn the Major, Minor, and Blues scales of every key. This book gives the fingering for each note in the scales, making it easy for beginner, intermediate, and advanced students to learn and perfect the scales of each note. This book also gives you the transposed concert c notation as well, while providing a readable color chart to help you identify your progress through each octave register.
