Without Sin chronicles the rise and fall of nineteenth-century America's most successful experiment in Utopian living: New York's Oneida Community (1848-1880). Founded by the charismatic Christian Perfectionist John Humphrey Noyes, this remarkable society flourished for more than thirty years as a unique world where property was shared, men and women were equals, sex was free and open, work was to be joyous, and pleasure was felt to be "the very business that God set Adam and Eve about."
