Comics Introspective Volume 1: Peter Bagge (v. 1) Christopher Irving

- Through a combination of original photography, multiple art gallery sections and an introspective dialogue with each subject, *Comics Introspective* is unlike anything being published. Volume One features Peter Bagge, whose unique, expressive work runs the gamut from political (his strips for reason.com), to absurdist and satirical (the *Batboy* strip for *Weekly World News*) and dramatic (*Apocalypse Nerd*). From his Seattle studio, Bagge lets journalist Christopher Irving in on everything from just what was on his mind with his long-running Gen X comic *Hate!*, to what's going on in his head as a political satirist. This debut volume features an assortment of artwork picked by Bagge himself, and is printed on deluxe glossy stock to maximize the impact of the art and photography — all working to make it as breakthrough as the innovator it covers.
