# Oroonoko (Norton Critical Editions)

*Aphra Behn*

**Oroonoko (Norton Critical Editions) Aphra Behn**

**This long-awaited Norton Critical Edition of Aphra Behn's best-known and most influential work makes available the original 1688 text, the only text published in her lifetime.**

The editor supplies explanatory annotations and textual notes.

"Historical Backgrounds" is an especially rich collection of seventeenth-and eighteenth-century documents about colonizers and slaves in the new world. Topically arranged- "Montaigne on America," "The Settling of Surinam," "Observers of Slavery, 1654-1712," "After *Oroonoko*: Noble Africans in Europe," and "Opinions on Slavery"-these selections create a revealing context for Behn's unusual story. Illustrations and maps are also included.

"Criticism" begins with an overview of responses to Behn and *Oroonoko*, from learned and popular writers of her time to Sir Walter Scott and Virginia Woolf, among others. Current critical interpretations are by William C. Spengemann, Jane Spencer, Robert L. Chibka, Laura Brown, Charlotte Sussman, and Mary Beth Rose.

A Chronology of Behn's life and a Selected Bibliography are included.
