The Horse Is Good

Viggo Mortensen

The Horse Is Good Viggo Mortensen

The nobility and pure poetry of horses is celebrated in the exquisite color and black and white photographs of Viggo Mortensen, who thoughtfully explores their roles as partners, teachers, and fellow travelers, asking no favors and returning respect for respect. Featuring photographs from Mortensen's extensive international travels, the images range from sharply colorful close-ups and vivid mustang landscapes to dappled, dreamy forms and ghostly, abstract tableaus.
