The Ugly Ducklings Wilson H GoldForest

Oh...hello dear. I'm so glad you are here and it's so nice to see you...yes, I am glad. Why don't you sit down and make yourself comfortable? Oh, silly me, I haven't even asked you if you'd like something to drink, have I now.... Would you like a cup of tea?...with lemon?...or milk?? Oh, dear me...you've just walked in and I'm babbling like a teen-ager....silly me. I am making you feel awkward, aren't I. Dear me, that's not very nice of me, is it now. I'm Dolly, by the way and I'm really happy to have you here. I get rather lonely sometimes, you see, because I'm here all by myself. Will you be able to stay a while?...oh, good!

Well...where shall I start? Yes....that will do. Now dear, do you know the story of "The Ugly Duckling"?.....of course you do! You must have had it read for your bed time story when you were little, haven't you?....surely! And that is what I am going to tell you about, but if you think my story is a fairly story for little ones....you couldn't have been more mistaken, dear....just like how people assume what other people's life is like from how it appears. You see....if you broad your mind, even this famous children's story is not how it appears....that's right....it's not the story for little ones at all, but the story of struggles, sadness, regrets and happiness of someone who is different.....no, that's not the right word....yes, someone who is "unique" is more appropriate, I think....that is so relevant and current no matter how old you are or what era you live since the story was written such a long time ago but it connects to so many people even in this modern age, don't you agree? Now I am not going into details and spoil my story, dear....but one thing I can tell you now is that this is not the story of ugly ducklings that might or might not have been cast out or bullied because they were unique....I think that is too negative an attitude, you see? This is the story of ugly ducklings that turned all the disadvantages and disappointment and hardships in life to their strength. You must pardon me, dear....if I don't go into details of what kind of setbacks those ugly ducklings went through because, as I have said, I don't fancy my story sound pessimistic and whining. So, if you are comfy....I am ready whenever you are!

From reader reviews:

Jaime Howell:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite e-book and reading a reserve. Beside you can solve your trouble; you can add your knowledge by the guide entitled The Ugly Ducklings. Try to stumble through book The Ugly Ducklings as your pal. It means that it can to be your friend when you really feel alone and beside that of course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you more confidence because you can know every little thing by the book. So , we should make new experience in addition to knowledge with this book.

Eddie Horton:

Book is to be different per grade. Book for children right up until adult are different content. As you may know that book is very important for us. The book The Ugly Ducklings ended up being making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The reserve The Ugly Ducklings is not only giving you a lot more new information but also being your friend when you sense bored. You can spend your current spend time to read your book. Try to make relationship with the book The Ugly Ducklings. You never feel lose out for everything in the event you read some books.

Charles Aranda:

This The Ugly Ducklings is great publication for you because the content which can be full of information for you who also always deal with world and still have to make decision every minute. This kind of book reveal it facts accurately using great arrange word or we can say no rambling sentences within it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tough core information with attractive delivering sentences. Having The Ugly Ducklings in your hand like keeping the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world in ten or fifteen minute right but this book already do that. So , it is good reading book. Hi Mr. and Mrs. active do you still doubt that?

Donald Freeman:

Is it an individual who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This The Ugly Ducklings can be the response, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?
