The English version, Kitten & Butterfly, received 5-stars from Readers' Favorite!

A great opportunity for a bilingual experience. Perfect for children -- and adults -- learning Spanish. Gatito y Mariposa was professionally translated from English to Spanish. Spanish-language readers have commented that they thought it was originally written in Spanish! So, it is not a word-for-word translation. Which is important -- in the real world, your English words and phrases do not translate perfectly in Spanish. Reading both version -- Kitten & Butterfly and Gatito y Mariposa -- will help you and your child learn Spanish in context. The same story -- the same concepts about friendship and acceptance. As a bonus a coloring book is included for free inside every Kitten and Friends storybook.

English version of the book description:
