I AM THE WOLF MAN is a suspense/thriller of 60,200 words.

Each morning following a full moon in the broiling summer of 2009, beautiful women are being found in Loudoun County, Virginia, with their throats slashed and chunks of their bodies missing.

Authorities find dog hair—and lots of blood—at the murder scenes, which begs the question: Is this a crazed serial killer with PCP-fueled pit bulls? Or something worse?

When a young man with a preposterous claim becomes the primary murder suspect, struggling lawyer Thomas Kaze must decide whether to believe him—but there's a twist he didn't see coming.
