The integrated solutions for Colander's *Macroeconomics* 9e have been specifically designed to help today's students succeed in the principles of economics course. Colander's trademark colloquial approach focuses on modern economics, institutions, history, and modeling, and is organized around learning objectives to make it easier for students to understand the material and for instructors to build assignments within Connect. McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master core topics in the course. Significant improvements in pedagogy such as reworked end-of-chapter problems, seamless integration within the Connect eBook, and instant feedback on assignments will engage students in the ninth edition like never before and instill the "economic sensibility" necessary to apply economic concepts to the real world.
