All of You:

Laura is having an early mid-life crisis. Fast approaching her thirtieth birthday, nothing has gone quite to plan. Dissatisfaction reaching its peak, she thinks about taking a six month sabbatical to travel and 'find herself'. Her best friends – Jake and Megan are super-supportive of Laura's decision. The three of them have been friends from childhood, and have remained as close throughout most of their lives. Their encouragement gives Laura the motivation to take control of her apathetic life and to book the trip. As she excitedly begins preparing, Laura starts to notice that Jake's presence in her life is becoming much more intense and her dependable pal Jake suddenly becomes her sexy, gorgeous lover, leading to some hot activities that result in an awakening within Laura. Then Jake – the person who knew her best, or who she thought she knew best, the person who has been her friend through thick and thin, drops a bombshell that shatters her heart.

Heartbeats:

Noelle had always secretly been attracted to her hunky twin neighbors Rolan and Ryce. But she'd had a boyfriend while the twin brothers always seemed to have hot, willing women in and out of their door. When Noelle catches her boyfriend cheating it leaves her vulnerable and in need of picking up. She lets the brothers invite her for dinner at their place, never knowing she'd be tempted to finally give in to her fantasies to be claimed by the two hottest men she'd ever come across. Would they give her the double-layered satisfaction she craved or will they think she wasn't ready to handle their special brand of passion?

Rush:

Kendra is a bundle of nerves when she walks into the office of Sebastian Montoya. To say his reputation precedes him is be a gross understatement. Immediately she sees that the larger than life architect has an even bigger ego. The mystery that surrounds him is hypnotizing. There is just something about him that draws her in. He oozes confidence and his lilting Spanish accent makes her insides flutter. But as she learns, architecture isn't his only talent. A steamy night at work leads to far more than she could ever expect. But does Kendra have what it takes to deal with the pressures that come with her day job while allowing Sebastian to handle her at night?

Unforgettable:

Liz has been working as a flight attendant for eight years...and she's bored. While she loves helping passengers and doing her job well, she's sick of always travelling but never being on holiday. In fact, the only thing that livens up her job is occasional glimpses of the mysterious first class passenger she calls him. But when he shows up in coach, and explains that he is desperate to make Liz's acquaintance, she's blown away. He has such penetrating blue eyes, it's as if they see right to the core of her quaking desires. As her mysterious stranger strives to sweep her away on an enticing adventure, will Liz's fantasies about to become reality? But sometimes fate has a way of intervening...
