More Than Cookies (The Maple Leaf Series Book 2) Christine DePetrillo
Book Two in The Maple Leaf Series

Sage Stannard is grumpy. Having just attended her cousin's wedding in California, she's at her limit for watching happy couples stare dreamily at one another. She's never had anything but quick romps back home in Vermont that always turn out to be mistakes. Big ones. Maybe moving out of her mother's house and taking a stab at online dating will add a little excitement to this caterer's stale life. Maybe it'll bring more disappointment. Who knows?

Chainsaw artist Orion Finley is on a mission to get his daughter, Myah, back from his ruthless ex-wife. Only trouble is his ex-wife is a crafty lawyer with connections—ones that give her the upper hand. She even managed to get custody of his dog, Ranger, just to drive the stake deeper into his heart. His father always told him women were poison, especially the pretty ones. Why hadn't he listened? Well, he was listening now.

When Sage and Orion meet over a bloody couch, the gates are opened to a path neither of them is quite ready to travel on. Will they stumble? Will it be all uphill? Or will the end of the path be just the new beginning they need?

Do you want to try this extraordinary shelling out spare time activity?

Cynthia Kipp:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this More Than Cookies (The Maple Leaf Series Book 2) can make you really feel

more interested to read.
