Reviews for books by Andre Norton

### STORM OVER WARLOCK

"Fleeing from Throg invaders, Shann Lantee and Ragnar Thorvald enter the world of beautiful women. Immensely powerful as they are lovely, these witches control men by thought domination. Shann's victory over the beetle-like Throg and his civilized alliance with the women is told here with that sweep of imagination and brilliance of detail which render Andre Norton a primary talent among writers of science fiction."—Virginia Kirkus (starred).

### THE TIME TRADERS

"Effectively utilizing the concept of time travel, the author ... has written another imaginative, action-filled science fiction story for teenage boys. Young Ross Murdock ... is sent back into the Bronze Age, discovers a derelict galactic ship, and finds himself fighting ... to gain control of the secrets of space flight."—ALA Booklist.
