You're a stuffed bunny and it's the end of the world.

Between you and safety are forty or fifty zombies gorging themselves on the flesh of the living. If you disguise yourself as one of them and try to sneak past the feeding frenzy, turn to page 183. If you grab a tire iron, flip out and get medieval on their undead asses, turn to page 11.

**Zombocalypse Now** is a comedy/horror reimagining of the choose-your-own-ending books you grew up with. You'll be confronted with undead hordes, internet dating, improper police procedure, and the very real - danger that you'll lose your grip on reality and wind up stark raving mad.

With 112 possible endings (at least 7 in which you don't die) the zombie apocalypse has never been this much fun.
