Have you always wanted to learn French but don't have the time to dedicate to attending classes or spending hours with books? The Coffee Break French course will help you learn the language where and when it suits you. Based on the popular podcast series, used by millions of learners around the world since 2007, Coffee Break French for the Kindle will help you learn French in easy steps.

The series features eighty lessons, and this ebook provides lessons 41-45 of the course. In addition to the comprehensive lesson notes provided, the course features download links for the accompanying audio lessons. Each lesson lasts around 15 minutes and is presented by teacher Mark, working alongside student Anna, so you can learn with Anna and perfect your French.

In lessons 41-45 you will learn about present tense within the context of what you do at the weekend and you'll also learn to talk about your daily routine. You'll learn how to use reflexive verbs in the present tense and how to use the present tense to make arrangements. You'll also look at the verb aller in present tense and learn how to construct questions. In later lessons you'll learn to cope with a variety of situations encountered while travelling in a French-speaking area, and to recognise the patterns of the language, allowing you to say what you want to say.

Please note that this ebook features lesson guides which accompany the free audio lessons. These audio lessons can be downloaded from the Radio Lingua website. Links are provided in the book. It is possible to listen to the audio lessons on your Kindle while reading the text. Details are given in the appendix.
