The Rules of the Road vs. The Laws of Attraction

How do you spell disaster? For former army captain Boone Toliver, it's his sister's wedding to a man she hardly knows, and he'll die before he lets *that* happen. Boone has five days to get from Montana to Florida with an injured leg. And his only option is hitching a ride with his free-spirited neighbor, hairstylist Tara Duvall—whose body makes his mouth water and his libido burn.

With each passing mile, the magnetic pull between them grows stronger, and Boone's trademark control is slipping away. But when his sex drive takes the wheel, will he be able to stop the wedding in time?
