The Best Medicine (A Bell Harbor Novel) Tracy Brogan

2015 RITA(R) Finalist for Contemporary Romance: Long

Everyone in Bell Harbor thinks career-minded plastic surgeon Evelyn Rhoades needs a husband. Everyone, that is, except for Evelyn...sort of. Even if she did want a husband (which she doesn't...most of the time), she'd never let something as intangible as fate determine who she marries. No, if she's going to find someone to spend her life with, she'll do it scientifically: with a carefully crafted list of criteria and an Internet dating site.

But when intoxicated, law-breaking Tyler Connelly crashes into her life by way of a stolen Jet Ski, unruly emotions defy common sense. Sure, he's sexy, charming, and determined to win Evelyn's affection, but all evidence points to him being the worst possible choice. He's too young for her. Too irresponsible. Too underemployed. And, oh yeah, he's her *patient*.

But Tyler knows firsthand how the best-laid plans can crumble under the weight of destiny. Now all he needs to do is to teach Evelyn that, in matters of the heart, love often supersedes logic.
