Violence in America: An Encyclopedia (Three Volume Set)

Violence in America: An Encyclopedia (Three Volume Set)

This text is designed to look at important and complex issues, such as what explanations for violence (biological and cultural) in America have been offered over the years, and how and with what social consequences, has violence been represented in art and popular culture. The encyclopedia addresses criminal justice issues, violence in the media, historical acts of violence and the cultural and biological roots of violence.
