2012 International Fuel Gas Code Commentary (International Code Council Series) International Code Council

A must-have for anyone seeking to advance their knowledge of the 2012 International Fuel Gas Code (IFGC), this book examines both the technical requirements of the code and its practical implications. The 2012 INTERNATIONAL FUEL GAS CODE COMMENTARY accomplishes this by pairing the code's full text with in-depth commentaries that explore the regulations it contains. These commentaries delve into the rationale for various provisions, strategies for applying them in the real world, and the consequences that may result if they are not followed. The book uses a clear, straightforward writing style that will demystify the code and instill a solid working knowledge of its requirements for code officials, engineers, architects, inspectors, plan examiners, contractors, and anyone who works closely with the 2012 IFGC.
