**Adopting the Rational Unified Process: Success with the RUP** Stefan Bergström, Lotta Råberg  
Stefan Bergstrom and Lotta Raberg take you through what may be your most crucial step in using the Rational Unified Process: a successful adoption process. From assessment of your current capability to the details of RUP implementation, this book takes you by the hand, and guides you. It is all backed by their considerable practical experience helping major industrial companies in Europe implement RUP. Philippe Kruchten, IBM Rational Software  
This book teaches you how to implement the Rational Unified Process (RUP) so that you reap immediate returns on your investment in process improvement. With the help of this book's practical advice and real-world case studies, software practitioners will learn how to initiate and maintain the changes needed for an organization to successfully adopt RUP as a new process. Adopting the Rational Unified Process picks up where Per Kroll and Philippe Krutchen's *The Rational Unified Process Made Easy* (Addison-Wesley, 2003) leaves off. By taking a guided tour of the activities needed during the process implementation, you'll learn the goals and measurements for adoption, how to select an implementation strategy, and the key points of an implementatio
