Having finally achieved his journey to fabled Sarantium, Crispin the mosaicist wants nothing more than to confront the challenges of his art high on the scaffolding of destiny-but in Sarantium no man may easily withdraw from the turmoil of court and city, or forget that the presence of the half-world is always close by.

To the Imperial City there comes another voyager on a journey of self-discovery, this time from the east. Rustem of Kerakek, a physician, must find his own balancing of family and ambition, healing and death, as he, too, is drawn into the deadly webs of Sarantium.
