## Preaching as Prophetic Calling (Sermons That Work XII)

*Preaching as Prophetic Calling* is the twelfth in a series of books devoted to presenting examples of preaching excellence from parishes throughout the Episcopal Church.

This volume addresses the difficult and essential area of preaching a prophetic word. What does a prophetic sermon look like without being shrill, and without being filled with “musts,” “oughts,” and “shoulds”? This collection of sermons includes examples of prophetic preaching that are visionary and that speak in ways that offer radical comfort as well as radical challenge.
