#### **Edward Chavez:**

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this The Alhambra.

#### **Bradley Bishop:**

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Alhambra can make you experience more interested to read.
