**Throb** Vi Keeland

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel.

The rules:

No dating.

No sex outside of the game.

No disclosing the terms of the contract.

Rules were made to be broken, right?

Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother.

Author's note – Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
