This book is written for a growing cast of truth seekers and persons that are frustrated with biblical inconsistencies on a narrative level, with contemporary emphasis on exegetical, philosophical, practical and theological questions. It will be especially welcomed by students, pastors, professors, and Abrahamic religious adherents around the world.

Its features include: (1) a synopsis of scriptural importance of the ONE name for salvation; (2) surveys of past and present theologies with emphasis on hermeneutical issues that divide; (3) a flint for reform and revival by moving to the highest level of unmitigated truth of the salvific so called ineffable name of God; (4) and the disturbing but 100% accurate guide for true salvation.

This is the first book of its kind to interact with movements within the Protestant, Jewish, Islamic, Catholic, and Orthodox traditions offering a bridge building synopsis of biblical facts and enigmas that inform a particular doctrine; and closes the gap in the market between Abrahamic faiths creating a universal body without spot or blemish.

Not only does this book demonstrate the courage to blaze a new path, offer new bold insights, render prevailing discourse obsolete, and set sail a new one in the treacherous religious waters, but with trans national discourse that is sensitive to local identities, appropriations, and contestations of global processes.
