Bentley Johnson a recent college graduate intent on going to medical school has the complete package-looks, humor, and class. He attends a summer medical program and has a love connection. His counterpart, Rikki Jones is a native Washingtonian looking to complete college. She's smart, attractive, outspoken and sick of men. How did Rikki have a change of heart? What led Bentley to turn in his player card and travel cross country in the middle of winter to be with Rikki? What trials, tribulation, joy and jubilation do they experience as a couple? What lessons do they learn that can be shared with other young couples looking to make their relationships successful? Crossing the Bridge Over Troubled Water is a story of love-and it's challenges. It's a story of lessons learned and most of all what it takes to stay together and be in love.
