Doctor Sleep: A Novel Stephen King

Now available on Encore for a great low price! Stephen King returns to the character and territory of one of his most popular novels ever, *The Shining*, in this instantly riveting novel about the now middle-aged Dan Torrance and the very special twelve-year-old girl he must save from a tribe of murderous paranormals.

On highways across America, a tribe of people called the True Knot travel in search of sustenance. They look harmless—mostly old, lots of polyester, and married to their RVs. But as Dan Torrance knows, and spunky twelve-year-old Abra Stone learns, the True Knot are quasi-immortal, living off the steam that children with the shining produce when they are slowly tortured to death.

Haunted by the inhabitants of the Overlook Hotel, where he spent one horrific childhood year, Dan has been drifting for decades, desperate to shed his father's legacy of despair, alcoholism, and violence. Finally, he settles in a New Hampshire town, an AA community that sustains him, and a job at a nursing home where his remnant shining power provides the crucial final comfort to the dying. Aided by a prescient cat, he becomes "Doctor Sleep."

Then Dan meets the evanescent Abra Stone, and it is her spectacular gift, the brightest shining ever seen, that reignites Dan's own demons and summons him to a battle for Abra's soul and survival. This is an epic war between good and evil, a gory, glorious story that will thrill the millions of devoted readers of *The Shining* and satisfy anyone new to this icon in the King canon.

Phillip Vargas:

People live in this new moment of lifestyle always make an effort to and must have the free time or they will get lots of stress from both daily life and work. So , when we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading ebooks. It can be your alternative within spending your spare time, the actual book you have read will be Doctor Sleep: A Novel.

Monique Hightower:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Doctor Sleep: A Novel can make you really feel more interested to read.
