Lost Teens Lost Faith: A Guide to Engaging the Souls of the Next Generation Derek Bird

Commonly, previous generations of Christian culture emphasize issues that were pertinent to them, and they teach key doctrinal concepts while neglecting that which is essential to the healthy development of a Christian teen. In his book, Bird encourages a balanced approach while exploring faith issues most relevant to teens as they approach the years when they're forced to grapple with enormous decisions.

More specifically, he uncovers an innovative way to think about God's purpose for an individual's life (which has the potential to not only affect the way teens approach life, but may also challenge parents and leaders to re-prioritize their own schedules), and then goes on to uncover a biblically based model for understanding God's will, which happens to be conveniently situated at the center of his purpose for humanity.

At a time when it's more common for a teen to walk away from the faith than it is for them to remain engaged, *Lost Teens, Lost Faith* provides relevant dialogue generated out of Bird's experience and his deep desire to see the reversal of this tragic trend. What he uncovers and passes along provides parents with the necessary foundation to lead their children through some of life's greatest challenges. Bird's scripturally inspired ideas give parents and teens a framework to begin a conversation of eternal importance.
