The story of Noah and his ark full of two of every animal on Earth has been a favorite Bible story for children for years. And now, for the first time in paperback, *Noah's Ark* is brought to life through LEGO bricks!

Kids will love hearing the infamous story of the world's flood and God's subsequent covenant with Noah to never destroy mankind again while seeing the action played out using their favorite toy. Brendan Powell Smith, creator of [bricktestament.com](http://bricktestament.com) and author of *The Brick Bible*, creates a magical "brick" world around the simplified text of the story of Noah, the flood, a wooden ark full of animals, and the promise of a rainbow. This is the perfect gift for children, both Christian and not, who love LEGO and a story with a powerful message of forgiveness and love.
