Strategies for the Electronic Futures Trader Jake Bernstein, Jacob Bernstein

While tremendous growth and excitement are evident in electronic day trading of stocks, there is another area where the same technology and trading techniques will have an equal impact - electronic trading in futures. In this book, Jake Bernstein brings his expertise to bear on this phenomenon and discusses a wide range of trading strategies geared especially for electronically trading the futures markets. It also looks at the trading systems in development and the role of artificial intelligence and neural networks in the future of electronic futures trading.
