Logan Matthews is a father, architect, and widower. He lives in Brooklyn, New York with his three year old son, Liam. His life is as ordinary as any single father with a toddler. Lara Miller is a single mother raising her nine year old daughter, Olivia in New York City, the city that never sleeps. She lives with her roommate, Erin and finds that she enjoys life just the way it is. Logan and Lara have all but given up on love. However, fate has another plan for these parents because they both share something that will draw them together in a way they never thought possible. Their daughter.

From reader reviews:

Tasha Banda:

Book is to be different for every grade. Book for children till adult are different content. To be sure that book is very important usually. The book Anonymous was making you to know about other understanding and of course you can take more information. It is very advantages for you. The publication Anonymous is not only giving you more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your guide. Try to make relationship with the book Anonymous. You never experience lose out for everything in the event you read some books.

Scot Vines:

As people who live in the actual modest era should be change about what going on or information even knowledge to make all of them keep up with the era which can be always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Anonymous is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

James Longo:

Reading a publication tends to be new life style in this particular era globalization. With looking at you can get a lot of information that may give you benefit in your life. Along with book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this Anonymous.

Courtney Osteen:

Are you kind of busy person, only have 10 or maybe 15 minute in your time to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short space of time to read it because this time you only find reserve that need more time to be learn. Anonymous can be your answer because it can be read by you who have those short spare time problems.
