Hide My Eyes (A Campion Mystery) Margery Allingham

In *Hide My Eyes*, private detective Albert Campion finds himself hunting down a serial killer in London's theatreland.

A spate of murders leaves him with only two baffling clues: a left-hand glove and a lizard-skin letter-case. These minimal clues and a series of peculiar events sets Campion on a race against time that takes him from an odd museum of curiosities hidden in a quiet corner of London to a scrapyard in the East End.

Allingham shows her dark edge in *Hide My Eyes* and evokes the sights, sounds, and inimitable atmosphere of fifties London.

This is a stand-alone title within Margery Allingham's Albert Campion series. However, if you wish to read the books in the order that they were written please follow the link below to have a look at the order of publication:
